

# 2016-2017 Geometry Syllabus

## Rensselaer Central High School

Mr. Tinich | michael.tinich@rcsc.k12.in.us | Planning Period: 2<sup>nd</sup>

<p><b><u>Introduction</u></b> Welcome to Mr. Tinich's Geometry class. I am looking forward to a great school year and helping everyone grow as students and young adults.</p> <p>In Geometry you will learn about:</p> <ul style="list-style-type: none"><li>-Logic and Proofs</li><li>-Triangles</li><li>-Quadrilaterals and Other Polygons</li><li>-Circles</li><li>-Transformations</li><li>-Three-Dimensional Solids</li></ul>	<p><b><u>Classroom Expectations</u></b> We are in class for 47 minutes and I expect to see three things from every student: hard work, focus, and a good attitude. These three characteristics will lead to a successful year in my class.</p> <p>I also expect you:</p> <ul style="list-style-type: none"><li>- to be respectful to everyone and everything</li><li>- to come to class prepared to learn</li><li>- to finish homework on time</li><li>- to be responsible for yourself</li><li>- to try your best</li></ul>
<p><b><u>Supplies</u></b> The following supplies will help you to have a successful semester. Please see me if you are having difficulties acquiring the supplies.</p> <p><b><u>Required</u></b></p> <ul style="list-style-type: none"><li>- iPad (supplied by RCHS)</li><li>- 1" binder for Note Guides</li><li>- TI-30X IIS scientific calculator</li><li>- notebook</li><li>- pencils/pens</li></ul> <p><b><u>Optional (but preferred)</u></b></p> <ul style="list-style-type: none"><li>- stylus</li><li>- compass, protractor, and ruler</li></ul>	<p><b><u>Classroom Rules</u></b></p> <ol style="list-style-type: none"><li>1. You are tardy if you are not in your desk prepared to work. Being in the classroom does not mean you are ready for class.</li><li>2. Do not be disrespectful to your classmates, the classroom, or your teacher.</li><li>3. Your iPad must be charged and ready for class. You must bring your supplies with you every day to class.</li><li>4. During instructional time, you may not access websites or apps that are not productive. You may only access them if Mr. Tinich allows you to.</li><li>5. All rules in the RCHS handbook are also enforced in my classroom as well.</li></ol>
<p><b><u>Homework Policy</u></b> Homework is the key to success in my classroom. The ability to complete homework correctly will correlate with your ability to score well on tests and quizzes. Turning in homework is mandatory.</p> <p>Homework will be completed on GoFormative.com via your iPad. Homework will be scaled to 10 points and needs to be submitted by the beginning of class.</p>	<p><b><u>Late/Absent Assignments</u></b> Late work will be accepted as long as it is turned in BEFORE the chapter test. Any work that is late will receive 50% off of the final score. No exceptions.</p> <p>Students who turn in late work or absent work must be completed on paper and turned into the box when you return. Homework will be closed the day it is due so you will only be able to access the questions.</p>

<p><b>Academic Dishonesty</b></p> <p>The definition of plagiarism is <i>the practice of taking someone else's work or ideas and passing them off as one's own</i>. Cheating and plagiarism will not be tolerated. If you have been found to cheat on homework or a test, you will be given a zero on that assignment and you will be sent down to the office. You are here to earn your grade, not your classmate's grade.</p>	<p><b>Mr. Tinich's Promise</b></p> <p>I am here as a teacher to see you succeed. I am not here to fail you, make you suffer, or waste your time. I promise to do my part to make sure you get the education you deserve. I expect you to meet me halfway and do your part to get the education you deserve. In my class, you will earn your grade and with hard work, you will be successful. I'm looking forward to a great year. Let's make it one.</p>														

*“I’ve been trying to tell you all, it’s not your circumstances or situation that determines if you going to be successful or not. I’ve been telling you it’s your mindset! It’s the way you see it. It’s the way you think it! “*
